Asia Programming Contest 2009 – Manila

October 22-23, 2009 Ateneo de Manila University

Invitation

The Association for Computing Machinery (ACM) International Collegiate Programming Contest (ICPC) is the most prestigious programming competition in the world. The contest is a two-tiered competition among teams of students representing institutions of higher education. Teams first compete in regional contests held around the world from September to November each year. The winning team from each regional contest qualifies to advance to the ACM International Collegiate Programming Contest World Finals.

Hosted by Ateneo de Manila University and organized by the Ateneo Grid and High Performance Computing Group (AGHPC) together with the Computing Society of the Philippines (CSP), the 2009 ACM ICPC Asia-Manila Onsite Contest will be held on October 23 while the Philippine National Onsite Contest will be held on October 22, 2009.

We cordially invite you to participate in the ACM ICPC Asia Programming Contest 2009-Manila.

Sincerely,

Rafael P. Saldaña PhD.

Contest Director
